Annemarie (Marschall) Cunningham

ANNEMARIE (Marschall) Cunningham passed away October 13th 2023 in Corvallis Oregon from COPD complications.

Annemarie was born in Germany on February 10th 1949 she grew up on a small dairy farm where she found her unending love of animals, big and small, she especially loved her cow's and cats. Ann met and married her husband Bob Cunningham who was stationed nearby while serving in the Army there. They were married in 1967 and moved to the west coast in 1970 ending up in Newport where we raised our children Cathy and Bobby Jr. We bought a small plot of land near Logsdan Oregon where Anne had a small herd of cows, horses, cats and dogs, and too many wild animals to list. She lived and enjoyed every day caring for them and the grandkids and her family. She made many friends while living in Oregon, she never met a stranger she could not start a conversation with and always had a purse full of photos of all favorite animals and family. I know a lot of you had to endure and Thank you!

She will be missed by many, "May she rest in peace"

She is survived by her husband Bobby Cunningham of Logsdan Oregon. Her daughter Cathy Heth of Newport, son Bobby of Arizona, granddaughter

Kendall Heth of Toledo Oregon, grandson Kale Heth of Monmouth Oregon,
Sister Gerlinde and brother Hanus, Heinrich of Germany

No Public Service to be held at her request.
