

Betty Clyma

April 26, 1930 - April 2, 2020

Betty Clyma

Betty was a prime example of an outgoing and caring person. she was born to Archie Rock and LoRea Darting Rock in Medford, OR. She attended school in Apple Gate, OR., ending her school career in Jacksonville, Oregon by graduating at 16 years of age.

She married shortly there after to Jack Hamaker. They had two children, David and Jacki Hamaker, both now deceased. After getting divorced she worked for Montgomery Ward in several of their stores, ending in Brookings, Oregon. She married Fran Clyma, who preceded her in death.

Her last job was at Pacific Communities Hospital in Newport and she was there for several years. Betty spent most of her life studying the Bible and got much comfort in doing so. She survived by her brother Joe Rock (Kathy) and her sister Melody Rock (Howard).

We will miss her very much and know that she is where she spent so much of her life preparing for. No service is planned.
