January 1, 1934 - April 2, 2023

Beverly J. Lippman "Bobbie," 89, died Sunday, April 2nd, 2023, at a care home in Yachats, Oregon.

As a professional writer and columnist, she took joy in brightening the lives of others in every way she could, especially with humor and captive storytelling. She spent decades as a hospice organizer and volunteer. With a passion for bicycling and a goal to accomplish before she turned 50, Bobbie and her best friend Roz Memel completed a 2,000-mile border to border bike ride from Canada to Mexico calling themselves the "Many-pause Milers." Never wanting to be left out of an adventure she also joined her daughter and granddaughter skydiving at 65 years old, safari trekking in Kenya at 70 years, and a multi-day pack mule camping trip in Three Sisters at 73 years old. She always made us laugh.

She is survived by daughter, Rochelle "Rocki" Martel-Longarini, son-in-law Glen, stepdaughters Robin and Meryl, granddaughter Autumn, son-in-law Abe, great grandson Lennox (7 years old), great granddaughter Jade (3 years old), her youngest brother Paul Jensen and his wife Dorothy and their two children Julie and Ken and many other nieces and nephews and cousins.

She is preceded by in death by her beloved husband of 43 years Burt Lippman, her parents Chris and Dorothy Jensen, and her brothers Dan and

Jim.

The Celebration of Bobbie's Life will be held Sunday, July 30th at 2 p.m. at Samaritan Center for Health Education, 740 SW 9th Street, Newport, Oregon.
