

Brandon R Maranon

July 23, 2005 - June 29, 2023

Brandon Ryan Maranon passed away unexpectedly June 29, 2023. He was born July 23, 2005, in Portland, Oregon.

Even though Brandon's life was cut short, he still managed to leave a huge positive impact on all who were fortunate enough to have met him!

Brandon was, without a doubt, the most kind, loving, happy, and easy-going person you could ever hope to meet. He made a strong impression on all the lives around him. He considered everyone his family. He drew people in like a magnet. No one could ignore his charm or resist his infectious smile!

He recently graduated from Newport High School, where he learned and achieved many things. He loved music and you would often see him drumming along... even double time. He also loved water activities, fishing, feeding birds, camping, traveling, and all types of humor, and loved playing practical jokes. Above all, he loved spending time with his family and friends. We all miss him so much. There are no words strong enough to express our grief or loss.

Brandon, we will never forget you. We will always love you and we look forward to being united with you again one day.

He left behind his mother and father, Judith Lomeli and Hugo Espinosa Maranon, as well as his siblings Zachary, Brenten, Naoma, and Mia. He will also be missed by his aunt Chrissy VanOsdol, his cousins Josiah and Thomas Taylor, his foster mother Lori Goddard, and foster brother Kristopher, as well as countless others whose lives he touched.

His foster grandpa, Ron King, said a hundred times: "I can't wait to someday see Brandon in heaven." He wanted to watch him run and play. Brandon passed just a few days after his grandpa. Now they are united in heaven forever!
