

Carter G Worden

October 20, 2003 - August 3, 2018

Born in Newport, Oregon on October 20, 2003, he was a loved and cherished 14 year old boy that meant the world to his family and friends. When we think of smiles, laughter, and genuine love, we think of Carter. He was the best son, brother, nephew, grandson, cousin, student, teammate and friend. We all loved him so much, His mother, Lindsey Worden and father, Aaron Gardner Jr. gave us a gift that will be greater than any other gift we will ever receive. Bubba loved everything and everyone. He just caught his first steelhead up at Moonshine. He was an All-Star athlete in football, basketball, and baseball. Boy, did he love sports, riding his dirt bike & four wheeler, and playing survival in the woods. God, he loved life! He was a beautiful boy, and will be very missed. On August 3rd, 2018 Carter passed away in an accident.

Carter's memorial will be held on Sunday, August 12th, at 1 o'clock at the Elks Picnic Area in Siletz. Please bring seating and a story.

“ I have no words for the sadness I have after hearing about the loss of Carter. I was honored to be one of his football coaches at Straub Middle School in Salem Oregon. Carter was a key player on our undefeated football team. More importantly his "heart" made me a huge fan. My heart goes out to his family and friends. In over 25 years of coaching I have had a few kids just grab me. Carter was one of those kids I will never forget.
