“ I am so sorry to find out about Kathy's passing. I've talked to her periodically, and knew she was not doing well because of her hip, but had no idea that she was that bad off. The Christmas card I mailed her last year came back and I have been trying to find out where she was. I couldn't reach her by phone either. I thought maybe she had moved in with Jake, but couldn't find him on Facebook or in the phone book. The last time I saw her was when I had flown over from Hawaii and gone to the casino in Lincoln City and called her and she came and joined us for the buffet. She was a beautiful crazy full of life dear friend and I miss her. "CJ (I know there will be laughter in heaven because of this)- - you're beautiful woman.... What is your name?.... Kiss my ring..... Many times!.... Wash me boy!!.....I love you my friend!" - fran

“ I went to school with Cathy, beginning with kindergarten. She was a sweet, vibrant and curious child and a happy classmate! She'll be missed and my prayers are for her family, as their lives go on. I'm glad she had the joy of knowing love and being loved.

“ *You were like a second Mom to me growing up. You were an awesome Mom and I'll never forget all the trips you took me Scotty and Jake on. I remember you always changing radio stations and pulling away just as I tried to get in the car. You will be missed!*
