

## Charles "Chuck" William Bergman

October 13, 1954 - October 29, 2025

Charles "Chuck" William Bergman  
October 13, 1954 – October 29, 2025

Charles "Chuck" William Bergman, 71, passed away on October 29, 2025. Born in Astoria, Oregon, Chuck grew up with a deep love for the outdoors, a strong sense of duty, and a generous heart that touched everyone who knew him.

Chuck devoted more than 29 years to serving his community in law enforcement, including many years as a Senior Deputy with the Lincoln County Sheriff's Department. His career was marked by integrity, compassion, and an unwavering commitment to protecting and helping others. He earned the respect of colleagues and the gratitude of countless community members whose lives he impacted.

Outside of his work, Chuck was a true outdoorsman. He found joy in gardening, hunting, and fishing—always happiest with fresh air and nature around him. He also loved a good movie and cherished simple pleasures like Sunday meals at Georgie's, where the staff became like family.

Above all, Chuck's greatest pride was his family. He is survived by his children, Neal and Brandi, and Brandi's fiancé, Brendan; five grandchildren,

Errin, Meagan, Natalie, Luke, and Maverick; two great-grandchildren, Tyler and Ryker; his siblings, Alonnie, Lori, and Allen; and his loving girlfriend, Melissa.

Chuck will be remembered for his kindness, humor, loyalty, and the love he shared so freely. His presence will be deeply missed, but his memory will live on in the hearts of family and friends forever.

A celebration of Chuck's life will be held at the 3:00 p.m. Saturday, November 8, 2025, at the Newport Naz Church, 227 NW 12th St, Newport, OR 97365. Where family and friends are invited to share stories and honor his memory.

Newport, OR 97365

# Tribute Wall

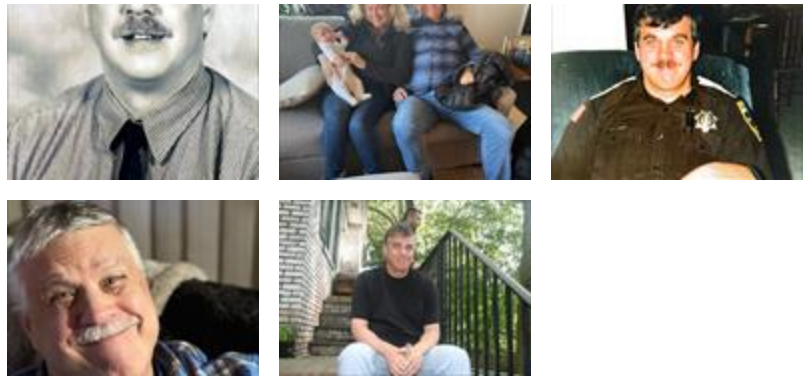

“ *Very sorry to find out about Chucks passing. Even though we worked on separate Law enforcement departments, we shared many calls together and sat talking over coffee when time allowed. Chuck will be missed. Danny and Karen Krichevsky*
