“ I met Chuck and Amy when Amy volunteered at the Meal on Wheels in Newport. Chuck became a driver. I enjoyed both of their company. They met my husband Mark at a Newport car show. I enjoyed both of their company and will miss Chuck, especially his love for anything chocolate.

“ We met Chuck and his beautiful wife Amy when we adopted two Chihuahuas they were fostering. We all clicked and became fast friends! Chuck always made us feel like family. He was a kind and caring man, and we will miss him very much.
