

Charles "Mazy" Michael Sherman

August 12, 1959 - December 1, 2022

Charles Michael Sherman "Mazy" was born on August 12, 1959, in Chelan Washington to Mazzell Rogers, Charles Campbell Sherman, Manson, Washington. He graduated from Manson High School 1977-Manson Wa. and Eastern Washington University (Cheney WA.) 1978-1979. On November 25, 2022, he was married before God to Ashley Hurliman. For his employment, Mazy was a UPS driver for Lincoln County, Oregon. He also was a former store manager; Habitat for Humanity, in 2020 Newport Oregon.

Mike (Mazy) moved to Depoe Bay Oregon from Chelan Washington in 1980 and helped to form several hometown basketball and softball teams over the years. One of his basketball dedicated sponsors was the Depoe Bay Chowder Bowl, where he won consecutive championships over the years. He helped to form a softball team sponsored by Rib Shack and Rogue in the early 1980's. In 1986 his team won the State ASA championship in their division. Mazy shared many happy years playing ball with close friends, later to become one big extended family. His love for sports led him to the game of golf, which he played more recently with the love of his life Ashley.

Mazy was involved in sports from an early age. He played Little League, Junior High and High School; track, basketball, football and baseball. After

school/college he moved to the Oregon Coast where he established deep long term friendships lasting for many years. His family and friends meant the world to him. The birth of his son Justin brought a new meaning of family to his life which he treasured. After 20 plus years working for UPS, Mazy had the wonderful opportunity to work and manage the Habitat for Humanity retail store in Newport Oregon. Mazy loved to collect agates along the Oregon coast and fish and do woodworking in his spare time.

He was loved by many who frequently stopped by just to receive one of his awesome hugs. He had a close friend and co-worker who took it upon herself to set him up for a foot pedicure-massage appointment. It was a "set up" all right in actuality a first date who became the love of his life. Ashley and Mazy started their journey together making plans for an amazing future ahead. Their journey, although cut short, was passionate and deep, both committed for life. Mazy; Son, Father, Grandfather, Husband, Brother and Friend - you will be forever loved and missed by many who crossed your path.

“ *Mike was such a big part of my school day memories. My favorite was all of us screaming on the bus on the way home from Entiat when we finally won a football game...he was always cute, funny and really nice. Gone, but never forgotten.*

“ I was so grieved to see that Mike had passed. I remember him in my math classes at Manson. I enjoyed having him as my student. May God comfort all who grieve.

“ Gone too soon cousin. Haven't seen since we were pre-teen, but remember as a kind and happy person. God be with family and hold each other tight.
