

Charlotte Ann Gwynn

April 7, 1953 - November 21, 2015

Charlotte was a care provider for over 20 years. She was a very caring woman that touched the hearts of everyone that she came into contact with. Charlotte lived for her children and grandchildren. Any way she could, Charlotte lived to help others. She fought stage IV colon cancer for two years, and had the determination and positive attitude she needed in every step of that devastating disease. Unfortunately, the cancer took her life on November 21, 2015 at the very young age of 62. Charlotte will be terribly missed by many. She is now, and will forever be, in our hearts and memories.

We love and miss you.

Charlotte is survived by her children: Brandy, Shone, and Shane Gwynn and by her grandchildren: Kayla Henderson, Breanna Henderson, Korey Gwynn and Shyera Gwynn.
