“ I will miss the hugs in the store. The laughter at Abby's. And of course our graveyard shifts laughing at others... RIP my friend..

“ I will forever miss your random messages that simply read "I love you Aunt Marilyn"From the moment you were born we all knew there was something so very special about you. There will forever be a void in my heart but I find peace knowing that Grandma and Grandpa Schweizer were there to welcome you home with open arms. Rest easy Christopher and know that I will always love you. ❤️

“ *I am so sorry for your loss. My condolences go out to your family. I hope you can find comfort in God's promise of the resurrection where we have the hope of seeing our loved ones again. (John 5:28, 29) May the God of all comfort bring you a measure of peace in this most difficult time. (2 Corinthians 1:3, 4)*
