“ Don always treated me like a sister. He was so kind and compassionate. Just a few months ago, I was crying in his arms over the loss of my son, (his nephew) Nikolaus. I'll never forget his big hugs and him crying with me, telling me how much he loved Nikolaus. I know he is with Nikolaus, and ours dads, his brother, and many more, having a big celebration, no more hurts, pain, or sadness. until we are called home to join them in our eternal home, in Heaven, I will think of all the good memories. I love you Don, give Nikolaus a big hug for me.
