

Donna Young

April 30, 1944 - October 24, 2019

Donna was born in Forest Grove, OR to Don and Hellen Salter. She was the baby sister to Betty and Mary.

As a teenager, Donna moved to Newport with her sister Betty and brother-in-law Bill. She went to school at Newport High where she met her life-long friend Rosalie and her future husband Seth.

Mom and Dad were married April 28, 1962, and their family soon grew to include a son Ricky and daughter Teresa. Dad made sure Donna could be a stay-at-home mom which kept true to his values for the family.

Donna learned how to sew very well and made many pieces of clothing for us. She was also a wiz with knitting needles and crochet hooks. Over the years, she made many quilts and sweaters for the family. Mom even made a white pantsuit in the 1970's!

Later in life, Donna worked at the Beverly Beach Store and after a number of years, she went to work at the local Sears store.

Mom and Dad enjoyed 40 years together.

Mom and Dad...We love you and we miss you.

Join us Saturday November 16th at Newport Highschool Library from Noon to 4p.m. We will enjoy a Potluck Meal and share stories and memories.

“ I'm so sorry to hear about Donna's Passing. We own a lot in Beverly Beach, and we're close with Gladys, Seth and Donna. They were a lot of fun and LOVED their stories! My husband Joe and I are selling our lot and was trying to reach her to say hello and catch up on BB. Lots of changes. We loved visiting with them at the Christmas Parties at BBWD Christmas Potlucks! We miss them all! Rebecca and Joe Ahsing
