“ To Harry's Family. We were so sorry to hear of Harry's passing not long ago. I (Linda) grew up knowing him and Helen. My folks said he knew me from a baby growing up in Toledo. Remember going to visit them with my folks over in Newport. It was always fun to say hello to him at the barbershop. If he wasn't busy he would come to the door and visit. Otherwise would wave with a big smile. When we got to Oregon to visit my folks, we always made a point to visit him and take him to eat. We had such a good time and all the laughter! Will miss him and the cards he sent to me with a note. Sometimes he would call. May our thoughts and prayers go out to you. Love you Harry 🙏
