Jacob Cole Howry

Jacob Cole Howry, 27, passed away on October 27th, 2024, after a courageous battle with cancer. Jacob was reserved but fiery and uniquely himself. As an avid outdoorsman he spent much of his free time in the woods. He felt most at peace in nature and with his beloved German Sheperd named Camo. He loved to hunt and connect with all the wildlife the Pacific Northwest has to offer.

Jacob was mechanically inclined and absolutely brilliant when working on anything with an engine. However, his true passion was woodworking. Jacob was quickly becoming a master of his craft and was in the process of starting a business while battling cancer.

Jacob is survived by his parents Jon and Jessee, brother Jonny (Emily), sister Jailene, nephew Lincoln, and grandparents Jon, Rich and Laura. As well as many aunts, uncles and cousins who loved him.

Jacob and his dog Camo passed away mere days apart from one another. They shared a special bond that will live on into eternity as they will be laid to rest together forever. A private graveside ceremony will be held for the family in the days to come.

A very special thank you to Aunt Mary, Uncle Matt, and to everyone who supported Jacob through it all.
