“ So many great memories of Joanie from the days of growing up with Stacey in White Sulphur. ❤️ And when I visited them in Alaska and back near Helena. She always had such a sharp wit and wonderful sense of humor! I will never forget the mischief in her eyes and the way she would raise her eyebrows. Her joke to me and Stacey was that I was the twin she gave away. I can see her in heaven now with the same sparkle in her eyes and wonderful smile. Much love 💕💕

“ Joan and Dee stood up for Bill and I at our wedding 1961. We have many memories with Joan, hunting, camping, visiting in Montana. Did not see a lot of Joan in our later years but our younger years are remembered.
