“ *I first met John in the early 1980s in church. Johns love and zeal for the Lord; and his journey of faith will always be an inspiration to me. We spent many wonderful times together discussing lifes purpose and many reflections on the Bible teachings on Gods amazing grace, mercy and justice. John developed a great appreciation for the Jewish Roots of the Christian faith. John loved music of many different kinds, especially jazz. He enjoyed the songs that I wrote after my wifes death. Including Sitting Here Thinking of You. Now I am including John in my thoughts and joyful reflections of life and friends! May the Lord have mercy and receive John into his heavenly kingdom!Rev Brad Lane - minister and friend*
