

Joshua Joel Dean Webster

October 13, 1986 - December 1, 2016

October 13, 1986 - December 1, 2016

It is with great sadness that we announce the passing of Joshua Joel-Dean Webster, also known as Big Josh. Joshua was born in Phoenix AZ on October 13, 1986 and passed on December 1, 2016, at his home in Newport OR of respiratory failure.

Joshua was an honest hard working man who was employed by Western Cascades for 7 years as the loader operator. He had the heart of ten and the love of many and always put others before himself. Quick to smile and slow to anger he could light up a room with his big personality and his ability to make people laugh. He was inspiring to others with his work ethics and made the world seem a little less dark. Always had a joke to tell to lift your spirits and he loved a good "I told ya so." We are truly lesser without him. Joshua was full of compassion, loyalty, integrity, strength, adventure, and forgiveness.

Some of Joshua's favorite things to do were fishing, shooting, hanging with his friends and family at Moonshine, having a nice cold beer and a shot of Crown Royal. He loved making people laugh and he absolutely loved being surrounded by his family and friends. He enjoyed life to the fullest and never let anything get him down and never gave up on anything. Joshua was a great man inside and out and will be missed dearly by a multitude of friends and

family, who will hold him dearly in their hearts forever.

Joshua is survived by his mother Shelly Hadley; his father Donald Webster and Joann of Iowa; his most favored relative, his sister Shelleah Hadley; Grandparents James Thompson and Shirley Senter of Newport; Terry and Kathy Masengill of Dallas Center, Iowa; his great grandmother Retha Masengill of Dallas Center, Iowa; Great aunts, uncles, and cousins also of Iowa; his closest friends Levi and Cynthia Trystman, and Joe Ellis; and so many many others.

A celebration of life will be held at South Beach Church on Saturday January 14th, 2017 at 1:00. Everyone is welcome to come. Reception to follow.

“ Dear Webster Family, I am so sorry for your loss. Soon we will not have to experience the pain that comes from losing someone we love. At Revelation 21:4 we have the loving assurance that death and pain will be done away with forever. Our Creator is a God of love who views death as an enemy. (1 Corinthians 15:26) He promises to restore our loved ones to us by means of the resurrection hope. It is my hope that these promises bring you comfort at this difficult time.

“ Gosh Bubba some days just seem impossible without you. The pain seems unbearable at times, but I look at your beautiful sister and know that if we focus on the love we shared with you, we will get through this. Rest easy son I'll see you on the other side. Forever and Always
