“ Thank you to the Bateman funeral home. I some how just discovered that there was an obituary written. And for that I'm thankful. I only wish we would have had enough money in our family to afford a proper burial and ceremony. To those friends who commented. Thank you for sharing your memory of her. Much love to you all. Best, Sara Podesta

“ *Heartbreaking...we were friends in Jr.High at Edwin Markham. Karen's Mom, I remember as so generous,though didn't really know her Dad. I will always remember Karen as a beautiful, dark haired and dark eyed lovely and kind being. I can only wish her and her family the best this Universe might bestow.*
