“ Nancy was a dear, sweet and kind Soul. I knew her many years ago as our children explored Eckankar, the Path of Spiritual Freedom, together in youth group. Nancy was a wonderful Mom! I can imagine how she is missed by her family. Much Love to you all.

“ Thank you for allowing me into your home and the hearts of your family! I will never forget the many days I spent playing with the girls, the many critters and doing my very best to harass Rob. To this day, iv never had better canned cherries or milk straight from the cow! You will be truly missed by the many lives you touched❤️
