December 14, 1993 - June 15, 2019

Nikolas Yost was born on December 14th, 1993 in Santa Ana, California to Leslie Miller. After high school, Nik worked at a fish processing plant. Nik lived in Toledo, Oregon, where he suddenly passed away after being kidnapped and was in a car accident on June 15th, 2019. Nik Yost and another young man were kidnapped and unknown events lead to Nik's shocking death.

His death stunned our community, his family and rocked his mother's world.

To Nik's friends and family-

We are having his memorial/vigil down at the Toledo Waterfront on Monday, 6/24 at 7:30pm. Please come and show your love for my Nik. I know he didn't realize how special you all thought he was and we want to show him that on Monday. Please come and share your memories of my son. Thanks to all of you for reaching out to my family. I would love to hear your stories about my son. Again, thanks for everyone's support. It means a lot to all of us.
