“ Dear Beverly and Eric, My sincere sympathy to you and your families for your loss. Your mom, Ginger Hughes and I worked together for many years and shared many memories. I think of her often; she will be sorely missed. May warm memories sustain during this difficult time. Fondly,

“ Dear Family of Phyllis, I am so sorry for your loss. I worked with Phyllis in the 80's at Integral Systems. I was in my twenties and learning the ropes in the business world and she was such a warm, gentle woman to me and everyone at the company. I sat next to her in our cubicles and she was just a lovely lady. But, you already know this. I have such fond memories of her. Best wishes to you and your family. Sincerely, Lisa Romero, Concord
