“ Rich was the love of my life back in the early 1980's I believe I met him in 1980 and we stayed together for around two years in our early 20's, we had so much fun together, I loved his "get her done" attitude and his care free ornery spirit. He made me laugh and taught me how to be a pretty darn good fish mate, we'd catch crawdads and pick fresh broccoli out of the local fields outside Forest Grove where we lived and have crawdad feasts. My two sons loved him and called him "daddy Rick". I will never forget you my dear old friend. Wish I could have seen you one more time and said good bye. I'll always hold you dear to my heart and cherish the fun memories we shared.

“ We were shocked to receive the news upon entering the office today. Rick was a one of a kind gentle giant that was very special to us. He was always eager to help others in anyway he could and carried a fun loving energy that is unforgettable. He also made a huge positive impression on our 4 yr old Son Matthew who loved to be around him. We will always remember is unmistakable voice, laugh and silly sense of humor and are very grateful for all his assistance. We love and miss you Big Guy!!!

“ I have only know Rick for a short few months, but I feel like I have known him all my life. Sometimes you meet certain people and you know right away that you could spend the whole day with them and it would be the easiest of days, that is how Rick struck me. He could laugh like no one could, and even in the most unfavorable circumstances at work, he would keep the utmost positive attitude. I greatly respected him and admired him for that! Telling hunting stories and talking about the crazy events of the day was a favorite past time of ours. I can still see and hear his unforgettable laugh and It still makes me happy. I will miss him a lot and I hope one day somehow I get to see him again.

“ *What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more smile. We may not understand why you left this earth so soon, or why you left before we were ready to say good-bye, but little by little, we begin to remember not just that you died, but that you lived. And that your life gave us memories too beautiful to forget" We will never forget as you were truly a beautiful spirited man.*
