Dear Mr. Beyer,  
You played an important role in my 6th grade year. Although an entire world and time, you helped me through the class. Talking your class of work and, I gained my skills, but my skills were a lot. Because I found an important piece of me on the 6th grade. This piece was largely due to the work done in your class. Your time and caring was much appreciated.  
Sincerely,  
Shawn Beyer

“ Dear Beyer Family, I had the pleasure of being in Mr. Beyer's class for two years in late 1990s. I will continue to think of him fondly when I look at the constellations in the night sky. Thank you for sharing him with the Valley Catholic community for so many years.

“ Dear Mike and family:It would be hard to think of anyone as gentle and kind as Bob. He filled a big gap in our science department at a crucial time in the school's history, and he did it with humor and class. Of course his favorite joke was whenever a student asked, "Are you serious?" He would invariably reply, "No, Sirius is a star in the sky." Many of them didn't get the joke, but everybody appreciated his pleasant demeanor and his approachableness. I hope that your family finds the grace of God to be sufficient in this time of loss.Kipp Johnson (Valley Catholic School)

“ Dear Beyer Family,I have such happy, gentle, warm memories of Bob. I've taught at Valley Catholic for many years-- I don't recall exactly how many years Bob taught here, but he was such a kind, sincere, compassionate, and patient person. I know how much his passing will cause you pain and sadness, but such is the measure of how much he meant to you when he shared his life with you before now. My heart is with you. I hope your tears don't blur the happy knowledge of having had such a wonderful human being to celebrate daily life with.Marty Karlin, still teaching in the classroom at VCHS

“ Bob was a tremendous addition to our teaching staff at Valley Catholic. I remember his quiet patience, his steadfast determination to bring out the best in his students and his gentle teddy bear-like presence. God and all His angels welcomed a grand man to heaven on September 9th! Rest in peace and pray for us now, Bob!
