“ My deepest condolences to the Schmidt family. Wishing to send a comforting hope for the future based on the words of our Lord Jesus Christ found in John 5:28, 29 - " Do not be amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life." May the hope of once again seeing our loved ones once again give you the strength that you need during this difficult situation.
