April 14, 1942 - July 7, 2023

Steven Martel Holler

Born to Harold Woodrow & Sarah Caroline (Ladue) Holler in Salem, OR on April 14, 1942, he had 2 younger brothers, Doug & Frank. They grew up in the Sunnyview area of Salem, surrounded by nearby grandparents, cousins & other family.

He graduated from North Salem High School in 1960 & attended Salem Tech where he studied to become an Electronic Engineering Technician.

He was married to Corinne Shelley 1963-2003. They had 2 daughters, Rebecca & Melissa.

He worked 40 years for Boise Cascade in downtown Salem, in the lab and then in the print shop, retiring in 2004.

He had a lifelong hobby of making origami paper stars, and loved to teach people (especially kids) how to make them. They called him "Steve the Starman." He also was skilled at woodworking and loved gardening, both flowers & vegetables.

In 2005 he met & married Patricia Plunkett Bearden of Newport, OR. They

lived a “double life” between Salem & Newport for some years, before settling in Newport, OR. They greatly enjoyed traveling in their RV until the Covid lockdown.

Steve loved the Lord, & served Him throughout his life until God called him home on July 7, 2023. He passed away at a care home in Gleneden Beach, OR, where he was lovingly cared for by Ana and her staff.

Survivors include his wife Patty, 2 daughters, Rebecca & Melissa, 2 grandchildren, Sarah & Ezra, and brother Frank.

As our young next-door neighbor man said, “Steve was a cool dude!”

Celebration of his life will be at 1:00 P.M. July 22, 2023, at Central Coast Assembly of God Church, 236 NE 6th Street, Newport OR, with a light lunch following the service.
