“ *I am so sorry your life ended way too soon. You were my little girl for a very short time when your mamma was sick. We loved you so very much. Your girls will have many good memories of their mom I am sure. You were so loved by many families. We will ever love you. Your Grandma Dad thought you were so special. She loved having come and visit. She loved showing you a good time. Playing in the stream behind the house with Laure Dade. You had so much fun playing in the snow , sliding down the hill at our house. So many good memories. We will miss you. You were so loved.*

“ *I'm really sorry I missed the link to send our love to all of Tami's family. She was my cousin and always will be. She lived with us for a while when we were kids and always had fun teasing her as kids do. She had a quick wit and always new just what to say to make you laugh. Life wasn't easy for her but she always knew how to raise about and face the challenges. She was much loved by all her family. She is resting now waiting for that great resurrection day."For the Lord himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first. Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord. Wherefore comfort one another with these words." 1 Thessalonians 4:16-18*
