“ It was always such a pleasure to be with Virginia, and to see what delight she took in Terry and his family. She was an upbeat, spunky lady. It seems clear where Terry gets his positive attitude and work ethic. We're sorry for your loss.

“ Dear Nana WE MISS YOU!!!!!!God saw you getting tired and a cure was not to be. So he put his arm around you and wispered come to me. A golden heart stopped beating hard working hands at rest. God broke our hearts to prove to us, he only takes the best. You were the best Nana ever. I enjoyed going and visiting you every year. I always looked forward to coming and seeing you. I remember how me and Matthew would go to the beach when we went to see you. I also remember how you used to plant flowers every year and they were always so pretty. I miss you so so so so so so much. I will see you again though in heaven. But until then you are my guardian angel. I love you so much and miss you too!!!!!!
